# TAIBAN VALLEY NEWS

VOLUME XIV.

TAIBAN, DEBACA COUNTY, NEW MEXICO, FRIDAY, OCTOBER 21 1921.

NUMBER 2

## ITEMS

Only Pictures of Quality at The Majestic Theatre at Fort Sumner.

Get our prices on storage tanks J. S. Philips, Garage.

Dr. A. F. Brown, of Fort Sumner, was in town Wednesday.

Mrs. Hutton, of Doreno, was in town Saturday. She has a very bad hand caused by a scratch from wire.

The editor went to the county seat this week.

B. C. Wright and W. H. Furbee, of Fort Sumner, were in town Wednesday.

L. C. Mullen, of LaLande, is here working on his road truck which is broke down almost on main street.

Mrs. Joe Philips was at the Garage Wednesday with Joe Junior.

Clinton Hurley, who is now third trick operator at Fort Sumner, was in town Tuesday.

Roy Woodward is erecting a house on the Noblitt lots which he bought some time ago.

W. H. Eake, of House, was doing business in town Thursday.

Rev. W. H. Hodge of Hamilton Texas, will begin a series of meetings at Fort Sumner, Friday evening October 21st. Everbody is invited to attend these meetings. His meeting came to a close at Taiban with a large attendance. It is prayerfully hoped that his lessons of Truth will be remembered and bring forth fruit.

Rev. and Mrs. Knight arrived here Tuesday. Rev. Knight is the new Methodist minister.

Mr. and Mrs. Harry Makemson and Mrs. Hail of La Lande, were in town Thursday.

There are two things we yet lack in Taiban, a Young people's Society and a Sunbeam Band for our little folks. Both societies could be held at the same hour, the young people at the Church, and the little folks at the school house where Miss Stroud teaches. We have 30 or 40 children of the age for Sunbeam work. Let's get busy and organize at once.

J. D. Greenwood, one of La Lande's enterprising merchants, and Elza Orton were in Taiban, Friday.

Rev. R. H. Evans and wife went to Clovis, Friday.

Mr. Henson of House, was shipping cattle this week.

McChess Mills seem to be very busy this week.

We are having delightful weather just now, but it must be too good to last long.

The W.M.S. meets with Mrs. Roberts Saturday Oct. 22nd, all ladies are especially invited to be present, the greater number in attendance, the more interesting will be the meetings.

John Tyson was in town Friday.

### ARMISTICE DAY.

On November eleventh, the first annual reunion of World War veterans will be held in Amarillo, in which all of the Posts of the American Legion of the entire eighteenth district will participate. The railroads have granted reduced rates of fare and one-third for the occasion and Hanson Post is sparing no pains to make the day a notable one among patriotic demonstrations.

The penalty for violated law.- If a man drop a lighted match into a keg of gunpowder, the effect of his imprudence is quickly made known by the explosion that follows. If he stick a pin into his flesh, his wounded nerves quickly send his brain a report of the injury. These are the certain and sudden results of physical law. But if a boy is passionate, or deceitful, or dishonest, the punishment for these violations of God's moral law may not, and generally do not, immediately follow; but that they will follow at some time is as certain as the law of right has been violated. It is written that, "Because sentence against an evil work is not executed speedily, therefore the heart of the sons of men is fully set in them to do evil." Because we do not see the execution of God's penalties at once, we are inclined to think that He may not carry on the sentence at all.

If you want a home, come to New Mexico. If you have a home or anything else to sell or trade, J. N. Crenshaw will help you sell or trade.

The Plains country looks like this. Better buy a home while prices are reasonable.

"Wait I want to go see Crenshaw about that Plains country", "Well get off at Taiban".

We thank each and every one of the Taiban people, who so graciously tendered their hospitality to Brother Hodge during his short stay with us. We thank all who attended services and gave their respectful, impartial attention to the message he presented, which was so clear and instructive that anyone could understand and profit in the way of good, by heeding them. We realize that Brother Hodge is well informed both in scriptural records, and the history thereof which enables him to answer any Biblical question as accurately as any one can. We appreciate his way of teaching and hope his life may be long and his influence great toward winning souls to Jesus. We thank all concerned for the use of their Church house. We heartily appreciate every little assistance rendered during our meeting. Christian Brethren.

The Benefit Society met Monday night, after transacting business we were given some excellent music, rendered by Mrs. Holder's friend from New York. Proff. Rowan made a good talk on Missions, Taiban can well be proud of Proff. Rowan, he is all ways ready and willing to do any thing that is asked of him, and is just the man to be the head of Taiban's school and build it up on Christian principles. He has proven himself a Christian gentleman. The highest tribute paid any man is to say, "he's a Christian."

## EYES EXAMINED

Eyes examined, lenses duplicated, glasses repaired by O. B. Jernigan, Registered Optometrist.

Will be at the Midwest Supply Co., at Taiban, Nov. 3.

I will be at Dr. Merrill's office in Melrose, November 2.

I will be at Fort Sumner, November 4th.

When in Clovis visit us.

E. T. JERNIGAN & CO.  
Jewelers and Optometrist

CLOVIS,

NEW MEXICO.

## House Locals

We are having right pretty weather here the last few days but, we are expecting a change soon.

The Farmer's Co-op Ass'n just received a car of coal at Tolar, and are busy unloading it.

R. C. Hook has been on the sick list for the past two weeks but is now improving slowly.

The school here gave a pie social here last Friday night, the proceeds, \$110.65, are to be used for the benefit of a boys and girls basket ball club.

The Farmer's Co-op Ass'n declared a ten per-cent to its stockholders the last quarter, we believe this is a good organization.

Several from Taiban, were up to the pie supper last Friday night, and we appreciate their help. Come again boys and girls.

The blacksmith people here have had their shops closed for the last two weeks trying to get their beans thrashed.

Mrs. Anna Eschler returned from a visit with her daughter in Hooker, Oklahoma.

The Farmer's Co-op Ass'n has a good line of underwear and hosiery for the winter season.

Flavy Powell pulled his bean thrasher in and quit for this season.

A little moisture here and now would be appreciated by the wheat growers especially.

M. A. Douthitt has traded his truck and truck-line to Lee Holcomb.

Mrs. G. W. Gates has been on the sick list but is up and going again.

C. P. Joens, has purchased a new wagon.

The school is progressing nicely, one of the best schools we have ever had at House, have an enrollment of 180 or more and we may need another teacher soon, as the school is growing.

The House boys defeated the Tucumcari boys in a basket ball last Friday with a score of 8 to 15 pretty good for the home boys as they had no practice.

REV. Hodge, of Hamilton Texas, has just closed a series of services here, And I think he did as good preaching as we ever had in Taiban.

His sermons were interesting and instructive. Brother Hodge is, I think, a Christian gentleman, and has so conducted him self while here.

## SCHOOL

From present indications our school is certainly going to be a success this year. Two scholars who have been with us before entered school last week, Mattie-Lyn Daniel and Zeida Hurley.

Lorton wall, a ninth grade scholar, entered last week.

Mrs. L. E. Davies, former primary teacher here, visited Mrs. Stroud's and Mrs. Keith's school rooms last Friday afternoon.

We had the pleasure of having Rev. Hodge with us Friday afternoon. He gave us an excellent talk. A few of the patrons were present but we would be so glad if more would take an interest.

The domestic science girls are doing some good cooking. They find a ready sale for their pies. They sold seven Tuesday.

M. A. S.

## RESOLUTIONS

Be It Resolved, that the sincere appreciation and gratitude of the officers and comrades of Wm. Richmond Post No. 21, of the American Legion, be it is hereby extended to O. J. Richmond the father of our late comrade William Richmond, deceased, for his gift to our post of the American Flag which enfolded the casket containing the remains of our late comrade, shipped back from France and laid to rest in the cemetery at Taiban, New Mexico, on Sunday the 25th day of September, A. D. 1921.

And Be It Further Resolved that a copy of this resolution be forwarded to the said O. J. Richmond by our Post Commander, that copies be given the newspapers at Fort Sumner and Taiban for publication.

Keith W. Edwards,  
Post Commander,  
Wm. Richmond Post,  
American Legion.

The Parent-Teachers Club has its regular Social Friday night Oct., the 28th. Come and be with us, the more the merrier. It is good to get together and forget our cares and worries for one hour and enjoy the harmless entertainment given by the Club.

Those who missed hearing him missed a rare treat, his preaching will benefit any people regardless of denomination, I feel that any town or Community will be fortunate to secure his services. Brother Hodge is of the Christian faith and preaches the Gospel without fear or favor.

## DRY GOODS and GROCERIES

We have just stocked a complete line of staple and fancy groceries and are prepared to serve our customers with Quality "Eats."

We're going to make it worth your while to give us your patronage.

## Plan Your Home To-day.

There are certain periods in one's life when one can do the right thing at the right time. To-day is the day to plan your home. Costs of materials and labor haven't been so low since pre-war days. Money is a bit freer, but living continues to be as severe.

### Individualize Your Home

Careful planning is necessary in order to produce the kind of building which you will be proud to call "my home." There are many features which can be incorporated to make the arrangement complete.

### Build Right Now!

It is a fact that some time ago, lumber was high, but at no time was it as high nor higher than many other things. It is also a fact that lumber and building material is much cheaper at this time than for years and the demand for homes is growing daily while the consumption of building material is much greater than the growth of the forest.
